

Check Out a Public Library Book for

Nook

To borrow a book for your Nook, you will first need to download Adobe Digital Editions software to your computer.

Instructions for Downloading Adobe Digital Editions:

1. Go to www.mtlaurel.lib.nj.us and click on eBooks (under the Downloads tab).
2. If you would like to view a video on downloading eBooks to your Nook, click on "[eBooks to Nooks](#)". Otherwise, click on eBooks from Overdrive.
3. Click on Adobe Digital Editions (under Software in the bottom left hand corner.)
4. Click Get Adobe Digital Editions.
5. Click Download Now and follow the prompts.

Once Adobe Digital Editions is successfully downloaded...

1. Go back to the Library's home page and click on eBooks (under the Downloads tab).
2. If you would like to view a video on downloading eBooks to your Nook, click on eBooks to Nook. Otherwise, click on eBooks from Overdrive.
3. Click on Advanced Search.
4. Choose Adobe EPub eBook or Adobe PDF from the Format field.
6. Choose "only show titles with copies available," if you wish.
7. Click Search.
8. Once you have selected an eBook, click on Add to Cart. (Make sure you select the EPub eBook or Adobe PDF if there are multiple versions.)
9. Click Proceed to Check Out.
10. Choose Mount Laurel Library from the drop-down list.
11. Type in your library card number without spaces.
12. Click Sign in.
13. Choose your desired lending period (7 or 14 days).
14. Confirm Check-out
15. Click Download
16. Click Open or OK.
17. Click Allow (if prompted)

The eBook is now downloaded onto your computer.

To move the eBook to your Nook

1. Connect the USB cord to your Nook and your computer.
2. If asked, click Authorize Device.
3. Click Finished. Click on icon of library books. You should see Nook under Book Shelves.
4. Drag a picture of the book over the word Nook.
5. Click on the Nook bookshelf to see the book.
6. Disconnect the Nook and enjoy!

For technical assistance, please see the Barnes and Noble Nook help page.
